Dear Ms. Wright:

I spoke with Mr. Tom Munson at the Division of Oil, Gas and Mining yesterday. He suggested that I write a letter requesting an additional extension for filing an application for a large mine plan. I apologize for taking this long to have the plan submitted. I am not ignoring this requirement, however it is taking longer than I had anticipated. Your office should have already received the reclamation bond and signed contract. Please allow me to have the completed mine plan in your office prior to the last day of February. I will not request any additional extensions of time. Please contact Mr. Tom Munson or myself with any questions.

Sincerely,

Nephi Sandstone
